**Subject:** Leavenworth BiOp: Update on timeline

Good morning,

The BiOp is currently in legal review (with General Counsel) after addressing the comments from DOJ. I'm anticipating that I will get Ryan's comments back from him by the end of the week, so I'm hoping to send the most recent draft of the BiOp for your review by mid- to late next week.

As I mentioned before, the document will be in track changes to reflect the changes I've made based on your comments and DOJ comments. Because of this, I am hoping for no longer than 2 weeks for your review.

As always, please feel free to let me know if you have any questions or concerns.

Thanks,  
Emi
